List price: 2,229.18 Free download at: Game of Thrones, Season 2 Joffrey Baratheon is a buff, arrogant teen-aged king who's getting his way through murder, intimidation and cruelty. "I must be," he says, "the finest king who ever sat on a throne." He is a bastard who has inherited the dragon crown, but he hasn't inherited his family's respect. "Please," he says to his grandmother, Cersei, "I've waited my entire life for the chance to humble them." It has been a life of deceit and murder and warfare, of hypocrisy and double-dealing. Joffrey is at the point where he has lost his sense of what he believes to be true. "You have no idea who they are, what they'll do. The words and the names mean nothing to you," Cersei tells him, "but I've had a lifetime of that." Joffrey's brother Robb, returning from fighting the Lannisters in the north, has a similar assessment of their father Tywin. It is the season premiere of Game of Thrones, HBO's fact-based fantasy series. One member of its cast is Matthew Rhys, an actor known to audiences for his portrayal of a troubled and lonely composer, who stars on the US drama The Americans. He is the father of a son who was born on-screen and who is now thirteen. For the first time in his acting career, Matthew Rhys and his family are about to be visited by journalists of another kind. Game of Thrones is a US television 570a42141b
