fair to say that this site's current policy is that if a post does not contain an opinion, there is no need to explain why. I was made to feel unwelcome and insulted for asking a simple question about why "no opinion" was a valid close reason, and after a few exchanges with a moderator I received no answer and was forced to abandon the effort. I thought this question might be useful to many people, and asked it. I got nothing in return, except for a pair of insults and an attempt to get me banned and I abandoned the question. Why is saying "No opinion" off-topic? If a question does not actually contain an opinion, and is therefore also not a bad question, why close it? A: It was originally intended to be closed for disagreement (non-subjective) since we don't have a dedicated site for non-subjective questions. Those questions have since been migrated to the programmers site. Some things that are off-topic are poorly worded, like the example you used,

the "time of Being" to explore the connections between humanity and the world. You will learn to use these connections to think more deeply about time and experience your world in a radically different way. This 30-day smoothie detox plan is one that you can actually do from anywhere, thanks to its easy-to-carry, pre-portioned ingredients. Many of the ingredients are available in the grocery store, and most of the steps can be done with a Vitamix (step-by-step instructions included). The end result is a clean, detoxifying and innovative smoothie recipe with nourishing healthy ingredients. If you are looking to drop the pounds, you should start eating healthy and exercise regularly. Although it can be difficult to combine your daily work schedule with a fitness routine, you should still make an effort to take a brisk walk for 30 minutes at a time, four days per week. If you have a family, you may also find the commitment to take the time to exercise difficult, but it can be done! "Most of our members prefer not to use an app because they feel they should never be apart from their food, but sometimes that's not possible," says Lindsay Rizkalla, RD, a fitness expert for YumSugar and RDI. "Numerous research studies show that the more mindful we are in choosing what to eat and when to eat it, the better overall health outcomes we experience. In fact, our minds are as important as our food when it comes to appetite and satiety." The superfood market seems to be saturated with all kinds of broccoli products: broccoli chips, broccoli smoothies, broccoli drinks, and superfood-infused lattes are just a few of the delectable ways you can enjoy this cruciferous vegetable. Broccoli is a nutritional powerhouse of vitamins, minerals and fiber, but did you know you can use broccoli to treat more than half of the health conditions we've mentioned? That's right — here are 7 ways to enjoy broccoli, along with their associated health benefits. 4. Simmer the broccoli in a pot and add chicken stock. Once the broccoli is cooked, put the chicken stock through
