Math class topper gurgles
with laughter as he wins
Rs 50,000 from RD
Sharma for scoring a
perfect 1000 marks. In

seven months since he started in September, the second topper from Rohtak has completed Class 10â€™™ â€™™. He has managed to score an average of over 90 per cent in all subjectsâ€™™ â€™™ and claimed that â€™œthe support from teachers and her brother-in-law, R D Sharma, helped him a lotâ€™™. When asked about

his future plans, he said:
“I have two sets of goals: one is a scholarship and the other is to stay in high school.” In the exams, he topped the city with a perfect 100 per cent. His goal is to serve people. “It is very satisfying to be the city’s topper,” he said. The class 12 student will now shift to the Delhi School of Economics

where he plans to join the computer science stream.

“The goal is to complete my studies and do something for the community,” he said. He added that he will stay in contact with his brother-in-law. The class topper said: “He has a huge passion for maths and keeps posting his solutions in ~Tutors Room™. I have a life-

long admiration for RD
Sharma as a
mathematician. I have
learnt a lot of things by
reading his books.â€” On
Sharma being his guide in
mathematics, he said:
â€œI couldnâ€™t have
done anything without
him. We used to have
â€”Mathematical
Magicâ€™, a little
magazine that RD
Sharmaâ€™s brother-in-

law would put out in his office.â€” Toppling class topper R D Sharma expresses his gratitude to his brother-in-law for the same. It was later discovered that the Delhi School of Economics, while choosing the best student from each city, does not consider a studentâ€™TMs financial background. Interestingly, the Delhi School of

Economics has done this
for the last three years.

However, if the
management find out
about this, they might
transfer the student to
another institution.
